55+ LIVING AT ITS BEST

A MESSAGE FROM YOUR HOA PRESIDENT

Springtime is upon us and so far, 2020 has been a busy year at Valencia Cay. We reached 900 project-to-date sales in February, and we will be opening the next Valencia Community at Riverland in the very near future. To date, a total of 350 families have closed on their new homes and have become happy "Valencia Cay Residents." Construction at the Valencia

Cay Clubhouse and Phase I of the Sports and Racquet Club is moving forward, and we can't wait to open these facilities for your enjoyment (later this year).

The Lifestyle Program continues to grow, and we now have a total of 27 Clubs. We are projecting the completion of the additional Social Club sometime in March, giving us much needed space to continue expanding the Lifestyle Program, and allowing us the ability to schedule more fun and diverse activities (until the Clubhouse opens).

We currently have 375 homes in different stages of construction, landscape installation has been completed along SW Winding Ridge Boulevard, all the way to the secondary (residents only) entrance on the North side of the Community, and road work continues along SW Discovery Way.

The entry gates are now operating between the hours of 7:00 pm and 6:00 am. Please contact Lang Management Company, Inc. if you or your guests are experiencing any problems accessing the Community during these hours.

I hope to see you along the Paseo Greenway, enjoying a beautiful spring day in Port Saint Lucie.

Charles J. Saenz
Project Manager and HOA President

NEWS & VIEWS FROM YOUR **LIFESTYLE DIRECTOR**

Hello Spring! It is amazing how quickly time is passing, but as the saying goes, "time flies when you're having fun." And at The Cay, we are having fun!

Our Lifestyle Program is in full swing and our March and April calendars are packed with fun. The Shamrock and Shenanigans St. Patrick's Day Party is going to be a blast! Chef Red has put together a menu of Traditional Irish Fare and DJ Classic will be back with great dancing music (see page 7 for details). Make sure to wear green, and we will have the beads! Be on the lookout for the e-blast announcing ticket sales, so you don't miss out. As everyone knows, the space is limited in our temporary Lifestyle Center, so events sell out quickly.

Singo and Trivia are back in April! We are expanding on Singo and having a Singo Dance Party. Groucho Productions will return to host two rounds of Singo, followed by an hour of dancing to his great playlist of 50's and 60's music. On April 3rd, Cay Mix and Mingle Trivia night will mix it up again! It promises to be a fun night of trivia, mingling with new neighbors, and lots of prizes. Thirsty Thursday continues on the 2nd and 4th Thursdays of every month, with our VCR house band playing once per month. The dates the band will play can be found in this publication and on ValenciaCayHOA.com.

New clubs continue to be formed every month. Our Valencia Cay Bowling Club meets every Tuesday at Super Play. It is always a fun afternoon and \$8 per person includes three games, shoes, and complimentary coffee. The Mosaic Art Club had their first workshop last month. Residents learned how to work with tile and created their own mosaic picture frame. And to add to our gaming fun – for the word gurus, the Scrabble Club gets together on the 1st and 3rd Mondays of every month. A listing of all our clubs and contact information can be found in this issue.

We are happy to announce ZUMBA classes beginning in March! Get ready to ditch the workout and join the party! This exhilarating, easy to follow, Latin inspired, calorie burning dance fitness party will move you – literally!

Exciting things are happening, and with the addition of the 2nd temporary Social Club, we will be able to add more fun to our great lifestyle! We have grown so much that we will now include a pull-out calendar in the center of our newsletter. We hope you will use it to schedule all your VC activities. Enjoy Spring at The Cay and, as always, we welcome your feedback and suggestions on the events and activities. Stop by to see me!

Tere Muniz, Lifestyle Director

A NOTE FROM YOUR **PROPERTY MANAGEMENT TEAM**

Thank you all for your cooperation and patience during the bar code distribution. We are happy to report that there were very few incidents in the closing of the gates, and we have worked out the kinks with the newspaper deliveries.

We have implemented welcome meetings for all owners and hope these assist all of you with basic questions and answers regarding the management and social activities in the community.

The On-Site Property Management office is located in the Social Club across from the Sales Center. MJ Haskas is in the office 9:00 a.m. to 4:00 p.m. (we close from 12:00 to 1:00 p.m. for lunch). Please keep in mind that she may have a meeting with an owner when you stop to see her, so we recommend that you email her to schedule an appointment time if you have an ACC or you have an issue that would take up some time in the office.

As a reminder, any alterations to the exterior of your home need to be approved through an ACC application. This includes hoses that owners are installing on the side of house (a five (5) foot hedge is required to be installed in front of the hose reel). We have a copy of the guidelines for all alterations available on the website and in the office. Please stop in and ask, if you are unsure whether something is allowed in the community. We are here to help walk you through the process.

All owners have access to our service center via email 24/7. If you need to call in a work order for our customer service department (irrigation, landscaping and pest control items) please email Service@langmanagement.com or call the customer service representatives at 1-877-242-8692. You can also access customer service through the Valencia Cay website.

We are very happy to be part of your team at Valencia Cay and Riverland, and hope to assist in making your experience living in the community enjoyable.

Marita Butzbach
Vice President of Association Management Services
