- **A Night in Italy Buffet**

Don't forget to reserve the event room or pavilion for any special occasion that you may have, we would love to make it that much more special for your family and guests.

It has been great getting your feedback and suggestions, we will continue to grow with the community and offer you an ever-changing cuisine and events for the whole family.

A friendly reminder due to limited availability for dinner nights and weekend lunches it is best that you make early reservations on the Open Table link on the Lotus website, this will also be linked with all special event menus and dates, we strongly encourage you to utilize this feature due to limited seating capacity.

All the Best,
